A PROVEN CHOICE FOR TRUSTED AUTHENTICATION
See what clients are saying about Entrust® IdentityGuard

Entrust IdentityGuard

Entrust IdentityGuard provides today's connected workers with secure, frictionless access to the networks, applications and resources they need — enabling them to work smarter and faster. Entrust Datacard offers a broad range of authentication solutions that help organizations build trusted and more frictionless, secure experiences and transactions across networks, devices, and geographies. We give you the power of choice and flexibility to grow as your business evolves.

WHY CHOOSE ENTRUST IDENTITYGUARD?

CREATE A FRICTIONLESS USER EXPERIENCE

"Entrust Datacard is faster and more reliable authentication."
DIRECTOR IS, STATE & LOCAL GOVERNMENT

"The ease of use has helped our employees/clients transparently continue to work without tripping over security red tape."
CONSULTANT, MEDIUM ENTERPRISE INSURANCE COMPANY

"Entrust IdentityGuard provides better security without a lot of productivity impact to users."
IT DIRECTOR, S&P 500 HOSPITALITY COMPANY

"Entrust Datacard has allowed the productivity to increase manifold, as the [user] has the information within seconds instead of days."
IT ARCHITECT, SMALL BUSINESS INSURANCE COMPANY

INCREASE SECURITY — MEET REGULATORY COMPLIANCE

"Entrust Datacard keeps us safe!"
ENGINEER, MEDIUM ENTERPRISE TELECOMMUNICATIONS SERVICES COMPANY

"Entrust Datacard helped us achieve the U.S. federal government mandate around MFA access for user accounts."
IT SPECIALIST, FEDERAL GOVERNMENT

"Entrust IdentityGuard reduced costs and meets compliance standards."
IT ARCHITECT, LARGE ENTERPRISE RETAIL COMPANY

"Entrust Datacard increased overall security and customer satisfaction by making the IB login process more secure."
IT SYSTEMS ANALYST, MEDIUM ENTERPRISE BANKING COMPANY

COST-EFFECTIVE DEPLOYMENT & SIMPLIFIED ADMINISTRATION

"Great cost, great product. Easy to implement. Integrates well with AD and other directory products."
IT MANAGER, LARGE ENTERPRISE HEALTH CARE COMPANY

"It is a very powerful and easy-to-manage tool. We are able to customize and implementation is a breeze."
SYSTEM ADMINISTRATOR, INSURANCE COMPANY

"Simplified our remote access structure, as well as how we supported it, to a single solution and interface. Winning!"
SECURITY MANAGER, LARGE ENTERPRISE HEALTH CARE COMPANY

"Setting up new users on the system has gone from up to 5 minutes per user to under a minute (and really, probably less than 30 seconds)."
SENIOR IT ARCHITECT, MEDIUM ENTERPRISE ELECTRONICS COMPANY

TRUSTED PARTNER DELIVERING UNMATCHED VALUE & SUPPORT

"5 out of 5 stars. They are number one in the industry."
CONSULTANT, MEDIUM ENTERPRISE INSURANCE COMPANY

"Entrust Datacard provides great products, great services, great consulting, and is very responsive to client needs."
IT PROFESSIONAL, STATE & LOCAL GOVERNMENT

"The customer education has been the best I've seen from any other vendor."
IT PROFESSIONAL, LARGE ENTERPRISE AEROSPACE & DEFENSE COMPANY

"Great solutions, reliability of product and excellent support."
IT SPECIALIST, FORTUNE 500 HEALTH CARE COMPANY
