BE YOUR CUSTOMER’S HERO

Never leave your customers cardless.

With cloud, Entrust Datacard® instant issuance is even easier.
CONSUMERS LOVE INSTANT EVERYTHING

ESPECIALLY WHEN IT COMES TO MAKING PURCHASES

How long before new customers receive their debit or credit cards in the mail? How long do you make them wait when they need a replacement card? If the answer is anything more than three minutes, chances are their needs are not being met. Delight your consumers with instantly issued, fully activated cards,

AN AMAZING CUSTOMER EXPERIENCE

A POSITIVE IMPACT FOR YOU

WALK INTO A BRANCH, LEAVE WITH A CARD

Ready-to-use, instant activation
Personalized design — photos, logos, graphics
Permanent cards, not temporary
Improved customer satisfaction
Your brand, top of wallet
Full card portfolio, easily delivered
WORLD’S BEST-SELLING BRAND OFFERS CLOUD OPTION

We pioneered instant issuance before cloud was a thing. Our nonstop innovation produced the world’s best-selling hardware, software and services. Our newest breakthrough is cloud-based instant issuance. You get the same integrated solution, but with the simplicity and flexibility of cloud delivery. So, now you can choose the control of an on-premises solution or the ease and affordability of our new cloud offering. If you choose our cloud option, you can deploy instant issuance as a revenue-generator and brand-builder anywhere you choose. You can scale up or down easily — and only pay for the capabilities you truly need.

CREATE A CARD PORTFOLIO THAT DELIGHTS YOUR CUSTOMERS AND SUPPORTS YOUR BRAND VISION.

OUR TURN-KEY SERVICES ARE EASY AND HASSLE-FREE.

No pain and true business gain. Unparalleled ease. Choose from our world-class service offering. Anything from a DIY model to complete managed services. Everything you need to scope, deploy, maintain, manage and optimize your instant issuance program.

entrustdatacard.com
SUPERIOR TECHNOLOGY.
FLEXIBLE SERVICE.
CONSULTATIVE EXPERTISE.

Entrust Datacard is more than just an instant issuance vendor. We serve as your trusted advisor offering expertise at every stage of the engagement. Backed by world-leading products and a tenured team, you’ll get the solution you need and service you can count on.

A Quick Word About Data Security
The Entrust Datacard instant issuance solution is the only PCI-CP compliant cloud offering, the most stringent security standards in the payment card industry, and maintained by Entrust Datacard experts.

Free your IT and security teams of implementing and maintaining an instant issuance solution in branch while delivering the best-in-class instant card issuance experience to your customers.

About Entrust Datacard Corporation
Consumers, citizens and employees increasingly expect anywhere-anytime experiences — whether they are making purchases, crossing borders, accessing e-gov services or logging onto corporate networks. Entrust Datacard offers the trusted identity and secure transaction technologies that make those experiences reliable and secure. Solutions range from the physical world of financial cards, passports and ID cards to the digital realm of authentication, certificates and secure communications. With more than 2,000 Entrust Datacard colleagues around the world, and a network of strong global partners, the company serves customers in 150 countries worldwide.
